Health and Wellness Cruise

This cruise is designed to enhance your inner well being and help you highlight outer beauty and vitality. Be our guest and enjoy informal seminars on Juicing and nutritional tips with *Cherie Calbom, MS*, preventative medicine and healthy lifestyle consultations with *Dr. Nina Walsh, ND LAc* and lectures “Who Am I; What Is My Purpose” and “De-Stress: How to Live From a Happy Heart” with a meditation presented by *Fr. John Calbom*. Imagine the tranquil backdrop of the open sea as a perfect, inspirational setting. Lulled by the waves and the expanse of the ocean, you will be inspired to take a holistic approach to total well-being by truly concentrating on mind, body and spirit. Take advantage of the intimate time you can spend relaxing, rejuvenating and re-energizing.
