So many times, life takes us off our path and it can be very stressful. God planned for us to have a great life, but somewhere along the journey we have settled for struggle. By learning some simple energy balancing techniques, we can find our way back home and remember what we really came to earth to BE. She loves to assist people in finding their sacred path by using modalities such as essential oils, EFT, gemstones, lights, colors, tones, grounding, mindful movement, and awareness. May we all... remember LOVE!
